Please read all of the instructions and look at the pictures before installing the ProClip.

1. Press the thin end of the enclosed gap opener into the gap between the center console panel frame and the console edge, to widen the gap. Peel off the cover of adhesive tape on the ProClip. Place the angled edge towards the gap below the gap opener.

2. Press the angled edge all the way into the gap below the gap opener. Pull out the gap opener.

3. Push firmly forward on the right side of the ProClip face plate with your thumb so the angled edge flexes forward and hooks into the gap in the console sidewall.

4. The ProClip is in place.
